PETITION UNDER 37 C.F.R. §1.183  
TO PERMIT SUBMISSION OF A COMPUTER LISTING  
IN ADOBE PORTABLE DOCUMENT FORMAT

The applicant respectfully asks that the requirements of 37 C.F.R. § 1.96(c)(2) be suspended to permit the applicant to submit a computer listing on compact disc in Adobe Portable Document Format (.pdf) rather than in ASCII text format.

The computer listing was originally submitted on June 23, 1989, on microfiche, as required by the rules then in effect.

This firm has been the attorney of record for prosecution of this application since the original filing. Neither this firm nor the trustee in bankruptcy is in possession of an electronic version of the program. Although in theory it would be possible to reconstruct an ASCII text file from a paper version of the microfiche, doing so would be unreasonably costly and, in any case, would inevitably include errors.

Therefore, the applicant asks permission to submit the listing in a .pdf document instead of an ASCII file.
